

This is a suggested template for preparing a proposal for requesting funding for an IISA co-sponsored event(workshop/conference/lecture series etc.). Prior to submitting a proposal, though not necessary, it is recommended that you contact one of the IISA Executive committee (EC) members listed on the website: <http://www.intindstat.org/contact-us> (you may contact the Secretary and/or Treasurer, in particular).The theme of the workshop should be close to the mission of IISA, e.g., see the weblink: <http://www.intindstat.org/about>

[Please delete the above paragraph before submitting the proposal, it is just for your guidance]

Request for Sponsorship from International Indian Statistical Association (IISA)

(Please fill out the following items with as much details as you have)

1. **Title of the event** (include a link to the event website if available):
2. **Time and Place of the event** (include name of institution hosting the event):
3. **List of organizers** (unless already available on the website, provide names, affiliation and contacts of all organizers):
4. **Description of the scientific scope** (State how the proposed event addresses part of IISA's mission):
5. **List of primary participants/speakers to be invited, with considerations of diversity** (if funding is requested to support participants, e.g., will the requested fund from IISA be used to support junior and minority participants):
6. **Outline of planned activities** (Include e.g., keynote speeches, research lectures, panel discussions, tutorials, etc., if possible include a tentative schedule):
7. **Amount of sponsorship requested** (provide total estimated budget for the workshop and what fraction of the budget requires sponsorship from IISA and what items of the budget requires sponsorship):
8. **Date this proposal is submitted and the date a response is desired:**

Completed proposal should be submitted to the secretary of IISA (secretary@intindstat.org). Include e-mail addresses and contact numbers of the person submitting this application.
